

## 5 Ways to Fundraise

1. **Write a Support Letter.** Send it through the mail and also through e-mail. Send it to friends, family, church family and co-workers. Often people are eager to help support a good cause.
2. **Call.** Calling friends and family is effective because it is personal. Explain what you are doing, why you are doing it, how you are doing it and where you are doing it and how they can get involved should they want to help.
3. **Ask.** Ask your Pastor or Church Leadership if the church would be willing to support you as you do what Jesus has commanded. Generally if the church can they will.
4. **GoFundMe.** Go to - [www.GoFundMe.com](http://www.GoFundMe.com) and set up a fundraising account. Just follow the very simple directions and in just minutes you will be all ready to go and start your fundraising campaign. This will allow you to share what you are doing on Social Media. This can be very effective.
5. **Sale.** I am sure you are good at something. Have a garage sale at your house. Also you can ask your Pastor if you can have a bake sale or a paid meal where the profit would help you pay for your mission trip expenses.

Jesus said, "*You have not because you ask not.*" Don't be afraid to humble yourself and ask for help. Anyone who is doing anything anywhere that is significant needs help!
